RGAN 387 (1 CREDIT HR)

ELIGIBILITY: Engineering students with engineering standing and junior or senior level classification are invited to apply for enrollment in the course. Enrollment is extremely competitive and limited to 15 students. Students will be selected on the basis of their academic performance, resume, participation in University and College programs, and involvement with non-profit organizations.

SUBMIT: During Phase 1 of the selection process students are invited to submit a cover letter and resume as pdf. files to Joseph.Colella@uky.edu by Monday, October 31st, 2016. UK College of Engineering department chairs may also nominate students for this program. When submitting your information please indicate “EGR 599 Leadership Application – Last Name, First Name” in the subject line. Phase 2 - personal interviews will be held Friday, November 18th, 2016 and will be arranged after an initial review of cover letters and resumes by the selection committee.

INSTRUCTOR: Dr. Larry E. Holloway, Dean of the College of Engineering

OBJECTIVE: To introduce students to the principles of leadership, common strategies used by leaders and the communication techniques of effective leaders.

REQUIREMENTS: This 1-hr (P/F) course is designed for UK College of Engineering junior and senior level students to help further develop their leadership and communication skill sets. The program is very selective and extremely competitive. The centerpiece of this program is to expose selected students to guest speakers from
the UK College of Engineering alumni association and other distinguished guests throughout the spring semester. This course offers a unique opportunity for College of Engineering students to establish contact and interact with some of the most successful and distinguished graduates from the University of Kentucky. Students **MUST** be available for all class lectures and available for the spring capstone trip to Washington, D.C. scheduled for **March 11th – March 15th, 2017**.

**EXPENSES:** All expenses associate with this course are provided through a generous grant from Mr. and Mrs. Stanley Pigman (MngE 1981) of High Point, NC (this does not include course fees and tuition cost).
